

Final Evaluation Report - Jury Member Selection

EXECUTIVE SUMMARY

This report presents the final evaluation process for the international "Open Call for Experts – Jury Panel" for the appointment of external jury members to form a Sub-Granting Committee under the CREA-funded project "Feed Your Future – Engaging Youth for Creative Climate Action". The project is coordinated by the Municipality of Milan and implemented by a consortium of 8 partners, including Rede DLBC Lisboa in Portugal.

The selected jury members will be responsible for evaluating proposals submitted to the "Urban Bites: Artistic Performances for Climate Action" (2026-2027) open call, which supports youth- and civil society-led public art performances focused on climate action. The Sub-Granting Committee will comprise five members—three selected through this open call, receiving a fee of €4,000 each. The open call was available from 28 May to 11 June 2025, and the eligibility criteria were published in the application guidelines on the Rede DLBC Lisboa website.

The call aimed to appoint external jury members with expertise in socially engaged art, cultural production, food systems, urban sustainability, and/or community arts. Experience with youth and co-creation processes was considered an added value. Candidates were selected through a merit-based evaluation, after passing a formal compliance check. A total of **59 applications** were received. Of these, **46 were deemed eligible**, and **13 were excluded** based on the eligibility criteria.

The evaluation panel was composed of representatives from project partner organisations:

- Elisa Porreca Municipality of Milan
- Clara Atomei Braşov Metropolitan Agency
- Lidewij Woltjes Municipality of Almere

Jury coordination and facilitation were ensured by **Maria José Domingos** and **Inês Coimbra**, from Rede DLBC Lisboa. Eligibility of the applications were reviewed by Rede DLBC Lisboa, followed by individual assessments by each evaluator, one-on-one meetings, and a consensus-building process. Final scores were discussed and consolidated during a joint evaluation meeting held on **20**th **June 2025**.

In addition to merit-based evaluation, the final jury composition also considered **geographical diversity** and **gender balance**, aligning with the values of the *Feed Your Future* project and the broader CREA framework.

The three selected candidates — Rui Monteiro, Mara Oprisiu, and David Perez Garcia — reflect a strong balance of expertise and alignment with the objectives of the "Feed Your Future" project. **Rui Monteiro** brings extensive experience in socially engaged art and multidisciplinary projects, having also served as an evaluator for the New European Bauhaus initiative. **Mara Oprisiu** stood out for her emphasis on creative and artistic work with a clear integration of sustainability perspectives. **David Perez Garcia** offers significant experience in food systems and sustainability. This composition ensures a complementary jury panel, combining artistic, cultural, environmental, communitarian and civic dimensions.
